SENSORY FRIENDLY SWIM AT PFPC

Join us once a week for a special swimming session in which we modify the environment to create a calmer atmosphere in the pool to provide a more sensory friendly environment for those with autism and other special needs. This is an opportunity for families and/or individuals to enjoy much needed pool time in a more controlled environment, with less stimulation.

- Music will be turned off.
- Slide will be available upon request.
- Space limited to 40.
- Lifeguards will refrain from using their whistles unless it's an emergency.
- All ages are welcome!

Cost: \$8 per child & caregiver
